Renan/Gil,

I was checking the ECHO dashboard since it's available to the public now and noticed that CA has a lot more issues. I've attached screen shots from 10/2017 to compare with what is on the dashboard today. There appears to be a big percentage difference as you can see below with DMR Ready and Unresolved DMRs. I've also attached the latest spreadsheet from the dashboard for your review.

CA MAJOR Permits

	Oct-2017	Dec-2017
DMR Ready	42%	16%
Unresolved DMRs	57%	83.5%

CA MINOR Permit

	Oct-2017	Dec-2017
DMR Ready	85%	37%
Unresolved DMRs	9%	57.4%
